Course Description
The 40th Annual Internal Medicine Conference will provide an update on the most recent medical education developments, management of specific medical disorders encountered by primary care physicians and practicing specialists.

Conference Features Include
2 plenary sessions organized to address current topics in medicine
Medical student/Resident participation about important issues in the practice of medical oncology.
A program format which invites interaction between faculty and participants.
Participation of faculty and Chairs from divisions of the UNC Department of Medicine.
Guest faculty from other universities and departments at UNC, School of Medicine.
Individual and small-group approaches to medical practice.
A "Meet the Professor" Discussion Session. Participants will have an opportunity to talk informally with UNC Department of Medicine faculty and discuss their practice in a relaxed and specific case.

The Charlotte Area Health Education Center (AHEC) designates this live activity for a total of 30.75 AMA PRA Category 1 Credits™. This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of the UNC School of Medicine and Charlotte AHEC. The School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

Venue
The William and Ida Friday Center for Continuing Education
Chapel Hill, North Carolina

Target Audience
The information presented at this educational conference is targeted for practicing specialists. Physicians, nurse practitioners, and specific cases.

The conference is jointly sponsored by The School of Medicine of Chapel Hill, North Carolina and The Department of Medicine of the University of North Carolina at Chapel Hill.
