Board Review
ONLINE Course
American Society of Pediatric Nephrology
Board Review ONLINE Course

Overview
Designed to prepare candidates for their pediatric nephrology board examinations, The American Society of Pediatric Nephrology Board Review Course will provide a review of pertinent topics in pediatric nephrology. The program will include lectures and slides presented by a distinguished panel of experts in the field of pediatric nephrology. In addition, participants will receive over 300 board review sample questions, and answers to the American Board of Pediatrics Content Specifications.

Target Audience
The course is targeted to pediatric nephrology fellows and practicing pediatric nephrologists.
