This program is supported in part by the International Pediatric Nephrology Association
Overview
Designed to prepare candidates for their pediatric nephrology board examinations, the American Society of Pediatric Nephrology Board Review Course will provide a review of pertinent topics and specialties in pediatric nephrology. The 2 and 1/2-day program will include lectures and slides presented by a distinguished panel of experts in the field of pediatric nephrology. In addition, participating will receive a binder containing slide kits and notes pages that correspond with each presentation.

Target Audience
The course is targeted to pediatric nephrology fellows and practicing pediatric nephrology.
