The Southern Pain Society presents

Pain Management: The Good, The Bad, The Ugly

September 12-14, 2014

Omni Hotel
Nashville, TN
EDUCATIONAL OBJECTIVES

By participating in this meeting and at the conclusion of this symposium, attendees can expect to achieve the following objectives and the successful learner should be better able to:

1. Discuss the FDA authorized Risk Evaluation and Mitigation Strategy (REMS) program to reduce opioid adverse events.
2. Review the evidence-based guidelines for opioid rotation use as a method to provide adequate pain control instead of accelerating a specific dosage beyond the level of safety.
3. Examine the current complementary therapies utilized for pain management and review those with evidence-based support and efficacy.

ACCREDITATION & CREDIT

This activity has been planned and implemented in accordance with the Essential Areas and policies of the Accreditation Council for Continuing Medical Education (ACCMCE) through the joint sponsorship of Carolinas HealthCare System/Charlotte AHEC and the Southern Pain Society. The Carolinas HealthCare System/Charlotte AHEC is accredited by the ACCME to provide continuing medical education for physicians.

CREDIT DESIGNATION STATEMENT

The Carolinas HealthCare System/Charlotte AHEC designates this Live Activity for a maximum of 12.25 AMA PRA Category 1 Credit(s)™. Physicians should claim only the credit commensurate with the extent of their participation in this activity.

An application to the North Carolina Nurses Association has been submitted for 12.25 Continuing Nursing Education Contact Hours for Saturday and Sunday to be awarded to RN’s attending each day in full. No partial credit will be awarded.

An application has been submitted for 12.25 aPA credits from the Alabama Psychological Association for Psychologists attending each day in full.

The Charlotte Area Health Education Center designates this continuing education program as fulfilling the requirement for 1.2 Continuing Education Units (CEU’s), representing 12 contact hours.

ER/LA OPIOID REMS

Content for this talk is provided by CO*RE. The Southern Pain Society has not received funding from CO*RE to support this activity. The CO*RE ER/LA Opioid REMS initiative is supported by an independent educational grant from ER/LA Opioid Analgesics REMS Program Companies (RPC). Please see www.er-la-opioidREMS.com for a listing of the member companies. This activity is intended to be fully compliant with the ER/LA Opioid Analgesics REMS education requirements issued by the FDA.

POLICY ON FACULTY AND SPONSOR DISCLOSURE

The Carolinas HealthCare System/Charlotte AHEC adheres to the ACCME Standards regarding industry support of continuing medical education. Disclosure of faculty and commercial support relationships, if any, will be made known at the activity.

TUITION & CANCELLATION FEES

Tuition for the conference includes course materials, continental breakfasts, coffee breaks, lunch and a reception on Saturday and other amenities involved in creating a comfortable and rewarding learning experience. A maximum enrollment has been set, so early registration is highly recommended. Written cancellations received by August 29, 2014 will be refunded less an administrative fee of $50. There are no refunds after August 29, 2014 but substitutions in writing will be accepted until September 5th.

THE SOUTHERN PAIN SOCIETY

The Southern Pain Society (SPS) was established in 1986 as a regional section of the American Pain Society and endorses and supports the mission and goals of the American Pain Society. The Southern Pain Society’s missions are to serve people with pain by advancing research and treatment and to increase the knowledge and skill of the regional professional community.

Take advantage of the discounted registration rate by joining SPS before the meeting.

Visit www.southernpainsociety.org to download a membership application and follow the instructions there for submission.

POSTER PRESENTATION

This year, the Southern Pain Society is accepting abstracts and hosting a poster session where learners can showcase their research and projects. Accepted abstracts and posters presented at the meeting will be awarded complimentary registration to next year’s symposium. Please see the SPS website at www.southernpainsociety.org for details on submission.
