35th Annual Mid-Atlantic Area Society for Parenteral & Enteral Nutrition (MASPEN) Conference

Friday, September 25, 2020

Time: 8:30 AM – 4:30 PM
Registration: 8:15 AM

Charlotte AHEC - Live Webinar

This Symposium is Jointly Sponsored by Charlotte AHEC and MASPEN, in collaboration with the UNC Eshelman School of Pharmacy.
TARGET AUDIENCE:
Dietitians, Nurses, Pharmacists, Physicians and all other healthcare professionals interested in nutrition support.

GOAL:
This educational conference will address current challenges in providing nutrition support therapy and provide clinicians with scientific literature and practice recommendations supporting best practices to promote safe and effective therapy.

COURSE FEES:
- $130.00 Pre-registration (Before September 11, 2020)
- $145.00 Registration

CE CREDIT:
Charlotte AHEC provides 0.60 Continuing Education Units / 6.0 Contact Hours

Dietitian Credit:
This activity has been approved by the Commission on Dietetic Registration for 6.0 Hours of Continuing Professional Education (CPE Credit) - Activity #142752.

Pharmacy Credit:
The University of North Carolina Eshelman School Of Pharmacy is accredited by the Accreditation Council for Pharmacy Education as a provider of continuing pharmacy education. The program ACPE# 0046-9999-19-282-L04-P (Pharmacists) provides 6.0 contact hours of continuing pharmacy education credit. To receive CE credit, you must complete the CE attendance form at the evaluation of the program. Statement of credit can be viewed and printed in CPE Monitor. Statements of CE Credit will be processed in approximately 1 to 3 weeks. No partial credit will be available.

DISCLOSURE STATEMENT:
In accordance with the Accreditation Council for Pharmacy Education’s Guidelines for Standards for Commercial Support, anyone involved in planning or presenting at this educational activity will be required to disclose any relevant financial relationships with commercial interests in the healthcare industry. This information will be made available to participants at the beginning of the activity. Speakers who incorporate information about off-label or investigational use of drugs or devices will be asked to disclose this information at the beginning of their presentation.

LEARNING OBJECTIVES
At completion of this knowledge-based activity, the participant should be able to:
- Discuss public policy issues involving the safe provision of parenteral nutrition.
- Identify patients at risk of developing refeeding syndrome.
- Identify common enteral nutrition complications and proposed interventions.
- Describe the effect of the gut microbiome on health.
- Describe methods to manage challenges frequently encountered in caring for patients receiving nutrition support therapy.
FRIDAY, SEPTEMBER 25, 2020
