

## **Preparing for Pharmacist Prescribing – A Hormonal Contraception Review**

**Tuesday, January 25, 2022**

**6:30 PM to 8:30 PM**

**Zoom Webinar**

**Charlotte NC**

***Co-sponsored by Charlotte AHEC and  
The University of North Carolina Eshelman School of Pharmacy.***

**Target Audience:** Pharmacists

**Goal:**

The Healthy North Carolina 2030 State Health Improvement Plan (SHIP) has identified teen birth rates as health behaviors target for improvement. Pharmacists can play a critical role in health access especially in rural areas. To assist with this goal, the North Carolina General Assembly has passed, and Governor Cooper has signed into law, legislation that authorizes qualified immunizing pharmacists to dispense self-administered oral or transdermal contraceptives after the patient completes an assessment consistent with the Centers for Disease Control and Prevention's United States Medical Eligibility Criteria (US MEC) for Contraceptive Use.

This knowledge-based CPE activity will provide pharmacists with education on contraceptive options available in the US, including an overview of hormonal and non-hormonal methods. Additionally, this session will review resources available to support safe use and prescribing of these agents in clinical practice.

**Pharmacist Course Objectives:**

At the completion of this knowledge-based activity, the participant should be able to:

1. Describe available contraceptive methods, including medication type, route, non-contraceptive benefits, and potential adverse effects for each product type.
2. Describe how the United States Medical Eligibility Criteria for Contraceptive Use (US MEC) is used to identify medically appropriate hormonal contraceptive methods.

### **Registration**

Webinar participants may check into the virtual meeting space by 6:00 PM. The course begins promptly at 6:30 PM and ends at 8:30 PM with the course schedule and costs as follows:

6:00 pm to 6:30 pm	Registration and Check-In
6:30 PM to 8:30 PM	A Hormonal Contraception Review Rebecca H. Stone, PharmD, BCPS, BCACP, FCCP

### **Course Fees**

#### **Pharmacists and Other Healthcare Professionals:**

\$70.00 (pre-registration before January 19) for onsite and webinar participants

\$85.00 (thereafter)

Please register online at [www.charlotteahec.org](http://www.charlotteahec.org)

**AHEC Refund Policy:** Individuals who register for a course and cancel between 2 weeks and up to 48 hours prior to the program will receive a 70% refund. If you cancel more than 2 weeks in advance of the course, there is a \$25.00 cancellation fee. No refund will be given for individuals who cancel less than 48 hours prior to the program. Substitutes are welcome. Cancellations MUST be in writing (fax, mail or email). If possible, please notify us of this change prior to the program.

#### **Continuing Education Credit For Pharmacists:**

The University Of North Carolina Eshelman School Of Pharmacy is accredited by the Accreditation Council for Pharmacy Education as a provider of continuing pharmacy education. The program ACPE 0046-9999-22-006-L01-P (Pharmacists) provides 2.0 contact hours of continuing pharmacy education credit. To receive CE credit, you must complete the CE attendance form and the online evaluation of the program (instructions to be emailed). Statement of credit can be viewed and printed in CPE Monitor in approximately 2 to 3 weeks. **\*\*No partial credit will be available\*\***
