Financial Disclosure Form

Based on Standards for Integrity and Independence in Accredited Continuing Education

-Do not complete if content only addresses a non-clinical topic (e.g., leadership or communication skills training).

Note for Nurse Planner- You may use this template to collect all relevant financial relationships of prospective planners, faculty, and others who may control educational content before they assume their role in the education. As an alternative to collecting disclosure information for each activity, if your planners and faculty are a set group of individuals, you might choose to collect this information on an annual or periodic basis and ask the individuals to update if any information changes during the year. If a relevant financial relationship is determined, complete the **Mitigation Worksheet** for the activity. Refer to the **Key Steps for the Identification, Mitigation, and Disclosure of Relevant Financial Relationships** document.

Section 1: To be completed by Nurse Planner or designee

Section 2: To be Completed by Nurse Planner, Faculty, or Others Who May Control Educational Content

Please disclose all financial relationships that you have had in the **past 24 months** with **ineligible companies** (see definition below). For each financial relationship, enter the name of the ineligible company and the nature of the financial relationship(s). There is **no minimum financial threshold**; we ask that you disclose all financial relationships, regardless of the amount, with ineligible companies. You should disclose **all financial relationships regardless of the potential relevance** of each relationship to the education.

Enter the Name of Ineligible Company An ineligible company is any entity whose primary business is producing, marketing, selling, re-selling, or distributing healthcare products used by or on patients. For specific examples of ineligible companies visit www.accme.org/standards	Enter the Nature of Financial Relationship Examples include employee, researcher, consultant, advisor, speaker, independent contractor (including contracted research), royalties or patent beneficiary, executive role, and ownership interest). Individual stocks and stock options MUST be disclosed; diversified mutual funds do not need to be disclosed.	Has the Relationship Ended? If the financial relationship existed during the last 24 months, but has now ended, please check the box in this column. This will help the education staff determine if any mitigation steps need to be taken.
