2016 Southeastern Pediatric Trauma Conference

Sept. 9, 2016
7:30 am – 5:30 pm

CPCC Harris Conference Center
3216 CPCC Harris Campus Drive
Charlotte, NC 28208

Program Overview
Healthcare Providers benefit from understanding the scope, impact and potential burden of caring for injured children and their families. Care can be complicated, time-sensitive, resource intensive and financially significant. Enhanced understanding of the epidemiology and management of pediatric trauma helps to avoid select complications, minimize ICU and hospital length of stay, and leads to improved mortality for pediatric trauma victims. The focus of this symposium is to provide the attendee with the most current research-based practice, knowledge and experience to improve outcomes of injured children across the spectrum of care and implement effective injury prevention strategies.

Target Audience
This activity is designed for physicians and registered nurses working in the emergency department, intensive care unit, operating room, pediatric ward and rehabilitation settings. EMS (EMT-P, EMT-1), pharmacists, respiratory therapists, social workers, physical therapists and occupational therapists are also included as trauma care requires a multidisciplinary focus.

Jointly provided by:
Charlotte AHEC
Wake Forest Baptist Health: Brenner Children’s Hospital
Carolina HealthCare System’s Levine Children’s Hospital
UNC HealthCare: NC Children’s Hospital

Register online at www.charlotteahec.org
Course Objectives

• Discuss injury prevalence & patterns among children
• Discuss how to plan and measure successful injury prevention strategies
• Discuss the importance of managing the physical and psychological sequelae of trauma on the patient and family
• Apply current evidence-based practices in pediatric trauma care to improve patient outcomes and minimize select complications

Faculty

Hayluri (Luly) Beckles

Department of Pediatric Trauma
Brenner Children’s Hospital
Wake Forest Baptist Health

Tracie Campbell, MS
Injury Prevention Coordinator
The Hemby Pediatric Trauma Institute
Carolinias Healthcare System

Kathryn Egan, MA, CHES
Injury Prevention Coordinator
Trauma Program
UNC HealthCare

Michael Gibbs, MD
Chair
Emergency Medicine
Carolinias Medical Center

Jason P. Mihalik, PhD
Assistant Professor
Department of Exercise and Sport Science
UNC School of Medicine
Co-Director
Matthew Gfeller Sport-Related Traumatic Brain Injury Research Center

Mary Beth Prieur, PhD
Assistant Professor
Department of Psychiatry & Pediatrics
UNC School of Medicine

Brian Scannell, MD
Medical Director
Pediatric Orthopaedic Surgery
Levine Children’s Hospital

Anthony Stallion, MD
Pediatric Trauma Medical Director
Levine Children’s Hospital

Tripp Winslow, MD
Associate Professor
Emergency Medicine
Wake Forest Baptist Medical Center
Medical Director
NC Office of EMS

Guest Speaker

Dr. R. Todd Maxson
Professor of Surgery
University of Arkansas for Medical Services (UAMS)
Trauma Medical Director for Arkansas Children’s Hospital

Sponsored By

CHILDRESS INSTITUTE®
for Pediatric Trauma
Agenda

7 am Registration
7:45 am Welcome and Opening Remarks
   Anthony Stallion, MD – Pediatric Trauma Medical Director, Levine Children’s Hospital
8 am Pediatric Orthopedic Trauma
   Brian Scannell, MD – Medical Director, Pediatric Orthopaedic Surgery, Levine Children’s Hospital
9 am Airway Management in Pediatric Trauma: Current State-of-the Art
   Michael Gibbs, MD – Chair, Emergency Medicine, Carolinas Medical Center
10 am Vendor Break
10:15 am Pediatric Concussive Head Trauma: Research and Current Recommendations for Prevention and Management
   Jason P. Mihalik, PhD – Assistant Professor, Department of Exercise and Sport Science, UNC School of Medicine and Co-Director of the Matthew Gfeller Sport-Related Traumatic Brain Injury Research Center
11:15 am Rural versus Urban Pediatric Trauma: Injury Patterns and Management
   Tripp Winslow, MD – Associate Professor, Emergency Medicine, Wake Forest Baptist Medical Center and Medical Director, NC Office of EMS
12:15 pm Lunch
1 pm Helpful Tips & Evidence-Based Practice Recommendations for Non-Pediatric Practitioners Caring for Pediatric Trauma Victims
   R. Todd Maxson, MD – University of Arkansas
2 pm Refining Pediatric Trauma Resuscitation: Updated Recommendations, Process Measures, and Defining Endpoints
   R. Todd Maxson, MD
3 pm Vendor Break
3:15 pm How to Initiate and Conduct Difficult Conversations with Patients and Families
   Mary Beth Prieur, PhD – Assistant Professor, Department of Psychiatry & Pediatrics, UNC School of Medicine
4:15 pm Using Your Trauma Registry to Plan and Measure Your Injury Prevention Efforts
   Panel Discussion & Examples of Successful Injury Prevention Programs
   Tracie Campbell, Luly Beckles, Kathryn Egan
5:15 pm Closing Remarks and Course Evaluation
5:30 pm Adjourn

Credit

• The Carolinas HealthCare System/Charlotte AHEC designates this live activity for a maximum of 8.00 AMA PRA Category 1 Credits™. Participants should claim only the credit commensurate with the extent of their participation in the activity.
• 8.0 Continuing Nursing Education (CNE) Contact Hours will be awarded.
• Nurses must attend the entire conference to claim credit.
• Charlotte AHEC is an approved provider of continuing nursing education by the North Carolina Nurses Association, an accredited approver by the American Nurses Credentialing Center’s Commission on Accreditation.
• This program has been approved for a maximum of 8 contact hours Continuing Respiratory Care Education (CRCE) credit by the North Carolina Respiratory Care Board, 125 Edinburg South Drive, Suite 100, Cary, NC 27511. Course #163027
